

2017-2018 Stewardship and Fundraising Commitment Contract

In order for St. Mary School to thrive and keep tuition affordable, we are asking for your commitment to Stewardship and Fundraising.

As an example to your children and St. Mary Parish we are asking each family to volunteer for various events throughout the school and parish. Our students in the 6th, 7th and 8th grades are held responsible for service hours each semester. We are asking families to join in the mission of doing for others.

In addition to your commitment to stewardship we are also asking each family to take part in the biannual calendar sale that takes place in July and January. Each family is asked to sell or buy calendars for each of the sales. This fundraiser goes to support St. Mary Parish and School.
Thank you.

Fr. Charlie Diedrick

Please sign this contract to show your commitment to the future of St. Mary School.
