REGISTRATION POLICY

St. Mary School's Registration Policy respects all faiths and nationalities, but recognizes that as a parochial elementary school, we exist first to serve members of this parish in the Diocese of Cleveland. (A parishioner is defined as one who is registered, attends, and contributes to the parish.) Therefore, while there is room, students will be accepted in this order:

- | | |
|---|---------------------|
| 1. Parishioners with others in school or to be enrolled in school | 4. Non parishioners |
| 2. New parishioners entering from another Catholic school | 5. Non Catholics |
| 3. New parishioners from a public school | |

Upper grade students (grades 6-8) are accepted on an individual basis considering faith, former school record, and expressed motives.

I have read and understand this registration policy:

 Signature _____ Date _____

I understand that all new students are accepted on probation for a nine week period. Continuation is dependent on adequate adjustment, i.e., satisfactory behavior and academic progress.

Student will be transferred on request, if the school, in conference with the parents, determine that there exists this lack of adjustment, whether such failure is caused by the school, environment, or the student.
